Furthermore, we are happy to be lied to, exploited, and screwed, by any government, but if they do it to us we have to reciprocate by screwing their system back over them. Hence the Socialist Party. A socialist value-system, rather than a merely social democratic one, is based on the demand that all wealth should be common property. The history of the socialist movement is a series of struggles that started in the working class against the wealth of capitalists and their governments. Since the economic crisis of the 19th and 20th centuries and the fall of the Soviet bloc, the socialist movement has been virtually dead, but in the 21st century we are seeing a revival.Q: Callback function with onclick event in React is firing twice I have an Object that looks like this: class Player extends React.Component { constructor(props) { super(props); this.state = { card: {} }; } this.onClick = this.onClick.bind(this); } onClick(player) { alert(player.id); } render() { return ({player.id} 3e33713323
