**Download Now**

Elden Ring is a fantasy action role-playing game published and developed by Sega under their new label WildWorks. The new fantasy action RPG seamlessly combines elements of ancient fantasies with more modern action and RPG features. Features:

- \* A Vast World This RPG is set in the Lands Between, a vast world brimming with excitement and mystery. You'll experience endless events as you ride on horseback or adventuring by foot through vast fields and gigantic dungeons with a variety of situations.
- \* Customize your character Use the ability to freely combine weapons, armor, and magic. As you develop your character, you can increase your muscle strength to become a strong warrior, or master magic.
- \* Three-dimensional design The vast world is designed with three-dimensional graphics, allowing you to explore a variety of situations and huge dungeons with complex and three-dimensional designs.
- \* Various Online Play Elden Ring supports online play, where you can join players from all over the world to battle together with up to four players. The asynchronous element is also supported, allowing you to feel the presence of other players even if they are from distant areas.
- \* An Epic Drama A vast world brims with excitement and mystery. In this RPG, which is set in the Lands Between, an epic drama in which the various thoughts of the characters intersect.
- \* Smash People into Tiny Pieces A fantasy action game in which you engage in battles using the power of the Elden Ring. In battle, you can move and attack, and use a variety of weapons and magic.
- \* Order and Commerce Based on the idea of 'redemption,' people own items that they find or obtain through their own efforts. They can then sell them or trade them to others to receive money.
- \* Downloadable Content Seasonal items and unique items can be purchased. You can also accumulate special items by battling in Ranked Battles.

### **Elden Ring Features Key:**

Fantasy Action RPG

- 
- Cardiac-styled battles with a new parameter system that boosts the excitement of battles
  - Multilayered story driven quests against monstrous creatures
  - Character development through the careful use of weapons and armor that you equip
  - Customize characters at will
  - Online battles with other players with unique matchmaking rules
  - Battlegrounds where you challenge your skills against others
  - Embedded Game Guide
  - Battle tutorial with an NPC

## **First-person view dungeons map with 3D effect**

### **More fun in battle with the new parameter system**

Changes have been implemented to deliver an exciting battle experience that incorporates the “Cardiac” parameter system.

- Cardiac Parameter Base HP is subtracted as damage based on parameters
- Time-based Cardiac Attack Attack times can be set to "Attack Time" manually or through Cardiac parameter
- Movement-based Cardiac Attack Attacking while moving increases the pacing of the battle

### **Special effects control for battle field**

The idea behind Cardiac Attack was to have a more tense battle experience on the battlefield, where you feel under pressure as time-based battles occur and move on.

- Special Attack Cardiac Attack affects special attack elements, such as magical damage, etc.
- MAD Fortress Cardiac Attack affects more defensively oriented DEF/MAG statistics
- Cardiac Replacer Cardiac Attack increases the rate at which normal stat boosts occur
- Cardiac Enemy Once a battle is started in a Cardiac parameter enabled field, damage increases up to the normal threshold given by the Cardiac parameter.

### **Movement speed is affected by Cardiac Attack**

As Cardiac Attack increases, the movement speed of the attackers also increases.

## **What's new:**

**SPOILER: To know the story in greater detail, please read the following checklist [\\_>](#)Tue, 03 Jan 2016 21:18:39 GMT 4: WizID:**

**Because there is a small chance of passing, I'm just gonna talk about this on my own.**

**First off, there's only 1 secret in the game. Make sure that you have unlocked the laser from the start. Once you actually start the mission, you'll realize this secret is laid out pretty obvious, but how many people would actually ask for a laser over something as trivial as grenade? Also make sure that you have well done the job with other mission before playing this quest. Once you actually start playing, you'll understand where each challenge is going. I've already beaten this mission one times, but you'll be better in your next tries if you know where to go. I've spent around an hour and half on this mission in the first try.**

**There's no wrong way to hack in. If you can't hack without entangling the hole by the guards, just go around and pick the lock next to the spot. Otherwise, if you have to be careful, take the button to lock the door, then you can open it and run to the hole. The pattern is just that you can't try to stop itself from unlocking the hole.**

**In this mission, there's just a quick**
