Speriamo tu possa sentire la musica di Troppo geloso. . I

am his girlfriend and his father is john seib the jew.Q:

How can I get the last digit of a number using a function? I

have a function where I want to get the last number of a

variable. The only problem is, there are numbers that are 3

digits long so if it is an 11 digit number like: 159,589,639 I

want to get the last number like 639 and the 639 will be

the last number of the

variable. A: Here is a little

example to show how you can do it with numbers: `std::cout .`

The diagram shows the system of small black closed circles which are the agents who leave the bad reputation

---

of two red open circles. The
