FIFA is an EA SPORTS game (for Xbox 360, PlayStation®3 and PC). It is the top-selling videogame in the world, and it has sold over 400 million copies to date. The FIFA series is known for its authentic football gameplay, its spectacular visuals, its realistic character and its career mode. FIFA is the No. 1-selling video game in the world. An All-New AI Engine FIFA has always used a stable and effective AI engine to gain an edge in player performance and tactics. With FIFA 22, EA SPORTS created a new engine, enhanced and adapted from the year-long lessons from the FIFA World Cup™ and FIFA Interactive World Cup. The next generation of AI, combined with advances in physics and animation technology, creates a more authentic-feeling, dynamic game. FIFA 22 was designed to be playable like real football. The game makes key changes to the FIFA engine including a revamped Rotation System, Poised Play System, updated ball physics, improved ball control, Goalkeeper Behaviour System, improved goalkeeper animations, movement and reactions, and an enhanced Passing AI System. A new Playing Style System enables players to play in any style of attack and defense. The new Playing Style System will unlock the full range of actions - offensive through to defensive, up and down the field - right up to the last minute of the match. Cross-Platform Play EA SPORTS FIFA 22 features cross-platform play across Xbox 360, PlayStation®3 and PC, supported by five FIFA Ultimate Team modes, Tournament modes, and online play. With cross-play, the online functionality of the game will be enhanced for console players to be able to join with their friends on other platforms to play the same game online. Cross-platform play also provides players with the option to start a custom-built game, where they can play with up to three friends on their favourite platform and on the best settings available on that platform. FIFA Ultimate Team Mode FIFA Ultimate Team is returning and is bigger and better than ever before. With over 300 different player items, you can now build an Ultimate Team Squad from players of all nationalities and of all time-lives with FIFA Ultimate Team Mode. Five FUT modes in FIFA Ultimate Team include Draft, My Club, Packs, Special Events and Live Leagues. Draft mode puts you in the shoes of the manager of a professional football club. faster and improve your game. Plus, you have access to a private forum for the most comprehensive support system in football. CLOUD - FIFA Mobile has changed forever. In FIFA Mobile, a new ways to compete, a new ways to think about how to create the ultimate football experience, and a new way to play. FIFA Mobile and the FUT Cloud™ bring a new level of engagement that lets you play at your own pace, with your own set of rules. This revolutionary approach makes FIFA Mobile a perfect fit for fans of FIFA, and those who are looking for a new way to play. Here's a list of the known issues and the workarounds. FIFA Mobile Unable to earn a record If you don't have FUT Pro, you'll be unable to progress this weekend. You can use the following workaround: Add FIFA Mobile and play a friendly match. A 2v2, 3v3, 4v4 or 5v5 friendly match will allow you to progress. The more people you have in your squad, the faster you will be able to progress. None of the Pro Clubs are usable If you have the FIFA Mobile FUT Pro app, you'll be unable to use any of the Pro Clubs for this weekend. You can use the following workaround: Open the FUT Mobile app, tap the menu button, go to the Settings, then turn off the FUT Pro feature. This will make all of the Pro Clubs available. FUT Mobile Rewards Not Active It's possible to be unable to collect your Rewards
