true dbgrid 9.0 serial number Whoa... A: I had the same problem and solved it by "uninstalling & reinstalling" the package manually: \$ apx -u install C:\users\...\temp\temp.apx \$ apx -u install C:\users\...\temp\temp.apx ...after that I could close the program without the error anymore. A: Yes, and a way for the new users (like me) would be the same. If the shortcut in this folder with your registered serial is deleted (just a single file) or becomes corrupted the system will use the default one and will revert the system to the default one. No data will be corrupted. Sabotage Wives' Secret, a cut-and-paste, 8-page word processor jam fest of the best, most memorable example of the phenomenon I like to call sabotage wives, or SWs, has

True Dbgrid 6 Serial Number
